17 STATEMENT OF FACTS

19 I, Shamelle Morris, Secured Party, move the court for  
20 Summary Judgment in favor of the Defendant for the following  
21 reasons (A) The affirmative fact is that the President/ Vice  
22 President of HOMECOMINGS FINANCIAL LLC failed to disclose that  
23 the original loan was created by a check book entry, which may  
24 be sold in the open market (as a promissory note) for 80-90  
25 cents on the dollar with no consideration to the defendant. The  
26 Defendant further failed to disclose the loan was pre-paid and  
27 the defendant would be converted into a joint tenant for 30  
28 years. It also was not disclosed to the defendant that all

1 monthly payments of Federal Reserve Notes, WERE NOT A tender for  
2 debt. ("Federal Reserve Notes are valueless" see Internal  
3 Revenue Code at Section 1. 1001-1 (4657) C.C.H.

4

5 See Jerome Daly v. First National Bank of Montgomery,  
6 Minn., Justice Martin v. Mahoney Credit River Township, December  
7 7-9 1968. Ruled that Federal Reserve Notes were fiat money and  
8 not legal tender after jury deliberation and return a unanimous  
9 verdict for Defendant after bank president admitted it was  
10 standard banking procedure in that he created the "money" he  
11 loaned to the Defendant as a book entry on December 7th at the  
12 conclusion of trial, the mortgage was canceled.
